 The Clubhouse

The perfect place to begin and end your round.

With a wonderful main lounge, the spike bar and a dining room, the clubhouse offers a warm and friendly welcome at the end of a great day's golf with food & drink prepared by our experienced clubhouse team.

The sunny club house veranda and terrace overlooks the 18th green with no better place to sit and relax outside on a summer's evening and watch your fellow golfers conclude their round.

The clubhouse was built in 1913, of a traditional style and fortunately retains many original features. It is magnificently positioned, nestling into the surrounding woods, with stunning views over the course and High Gosforth Park.
